

WHY PULSE?

Celebrating 22 years in business, Pulse Dance Works Inc. is a family operated and oriented dance school providing excellence in dance education in Markham, Ontario. Pulse offers a variety of dance class options from ages walking & up, and provides high end dance education with results! From Full-Time Competitive, Part-Time Competitive, Pre-Competitive, Recreational and Adult classes, there's a perfect program for everyone!

WHAT MAKES PULSE UNIQUE:

- Only studio in Markham that breaks down the Recreational Program by age AND level of ability! This means that your child receives high quality personable instruction with goal setting and results that cater to their age AND level of ability! We do not group beginners with experienced dancers just because of their age.
- More value for your money with small class sizes to ensure a personable and fun learning environment where your child can thrive, feel comfortable and progress.
- Longer class durations than other recreational programs in Markham, with no upcharge. Allowing for proper warm up, developing skills and learning choreography without the rush! (1hr classes for ages 6yrs +, not 30 or 45 minutes).
- Specially designed "Early Childhood" programs for Parent & Tot Ages walking-24months, Boogie Babies for Ages 2-3yrs, Micro Hip Hop for Ages 3-5yrs AND Kinder Kids for Ages 4-5yrs, that not only instill positive dance foundations, but are attuned to their different stages of development; helping to build motor skills, coordination and confidence.
- All students receive one on one guidance and individual goal setting to achieve incredible results!
- Well-structured, nurturing and encouraging classes where everyone is treated equally and with respect.
- High end dance education and personable instruction, not just a "follow the teacher" environment.
- Curriculum in place, followed by all faculty, to ensure that students develop and progress with no confusion or conflicting teaching methods, resulting in quicker advancement during the dance season.
- All faculty members are highly qualified and accredited adult professionals, with both industry and studio experience, ensuring excellence in dance education and no "kids, teaching kids".
- All classes include a safe warm up, proper dance terminology, explanation of basic anatomy and muscle groups being used, dance foundation, technique and musicality.
- Dancers will have fun learning dance combinations and routines to be performed in our annual dance Showcase (in the late spring), as well as other performance opportunities throughout the year.
- Health and Safety is always a priority, and we have many protocols in place.
